Tune: London Bridge

Autumn leaves are falling down  
Falling down, falling down  
Autumn leaves are falling down.  
All around the town.  
The wind will blow them round and round  
Round and round, round and round.  
The wind will blow them round and round  
All around the town.

They're drifting gently to the ground,  
to the ground, to the ground.  
They're drifting gently to the ground.  
All around the town.

Take a rake and rake them up,  
Rake them up, rake them up.  
Take a rake and rake them up  
All around the town.
